Hi Juniors! You will be in constant motion as this is a hands-on learning camp. Wear cool, breathable clothing—preferably shorts, t-shirts are allowed and sunscreen is highly recommended. A towel and hat/visor will be helpful. Hydration is continuously encouraged with chilled, filtered water always available to replenish your water bottle. A snack will be provided each day at approximately 10:30am.

Your Safety Comes First! Swing Zones will be clearly marked and must be respected for everyone's safety. All water hazards are strictly off limits. You will be escorted to the restrooms. Carts can only be driven by licensed drivers. Please label all clubs, bags, hats and water bottles. Clubs can be securely stored at the Academy each day.

Interested in learning more about an upcoming Youth Golf Organization of America Event? If so, **just check the box right here**, _____, and we will send information to the email address provided on page one.

Thank you for allowing us to teach you this great game of a lifetime! Looking forward to meeting you soon, and for our returners, welcoming you back!

Happy Golfing,
